

# Kenley Weekly News

## 16th December 2022

It has been a very busy and productive term. The children have worked so hard both in and out of the classroom. Our Head Students and House Captains have taken on various responsibilities from giving school tours, to organising and running the annual 'Kenley's Got Talent' show. Classes have braved the weather when taking part in their forest school days this half term. We have had many after school clubs, with pupils participating in football, netball, taekwondo, cross country running, gymnastics, choir and recorders. Our football and netball teams have had mixed success but have always made us proud with their positive sporting attitude and teamwork. The PTA have raised over £4000 this term, with both the Fireworks and Christmas fair being hugely successful. We are extremely grateful for their support.

On Monday, we had our first snow day of the year, but many of the children still made it into school and had great fun at the end of the day playing in the snow. Unfortunately, we were unable to get to the church for our annual Christmas service. However, we did manage to incorporate the choir songs and readings into our end of term Christingle Assembly. This week, Key Stage 1 children all enjoyed the Panto at the Harlequin Theatre. We have also had the recorder club perform to the whole school and the iRock pupils performed their termly concert. Pupils enjoyed Christmas lunch and class parties, which included a special visit from Santa.

Many thanks to all the staff for their hard work and all our families for your continued support. We hope you all have a restful break and looking forward to seeing you all in the new year. Pupils return back to school on Wednesday 4th January.

**MERRY  
CHRISTMAS**
