

Kenley Weekly News

23rd June 2023

Bows and Arrows

Yr 5 had a project afternoon this week, making bows and arrows. They had to use a variety of skills to make these: knot making, lashing, using a peeler and whittling knife safely. All knew the safety rules and abided by them – well done!

Robin Hood would be proud!!

ATHLETICS

Kenley has had some fantastic results so far for the Croydon school Athletics, with 8 pupils making the finals. The finals are at Croydon Arena after school today. So proud of all who have taken part.

We wish them all good luck !

Outdoor Learning Morning

Our Outdoor morning was a huge success – thank you to all of the family adult helpers that gave their time to be creative with the children.

Some of the activities included: Mud faces, mobile making, weaving and lashing, painting, nature art and even investigating owl pellets!

On Monday, Key Stage 1 had their annual sports morning. They participated in lots of activities including: football skills, Javelin, hurdles, throwing and of course the traditional egg and spoon race!

Thank you to the young leaders from Riddlesdown and Paul Langan, Director of Sport at Riddlesdown, for their extra help in the running of this event.
