

Year 6 Homework Autumn 1

<p>Wider curriculum homework</p> <p>Hand-in dates:</p> <p>Wed 4th October</p> <p>Wed 18th October</p>	<p>Select 2 pieces of homework you would like to do, and hand in one piece on each date given. Written work can be presented by hand or published on the computer.</p> <ul style="list-style-type: none"> - Create a family tree for queen Victoria - Bake a Victoria sponge cake and research how it came to get its name - Invent your own electrical item that has not yet been invented! Explain how it would be used, with pictures and labels. - Research a famous scientist who created an important electrical invention and present your findings. - Write a set of instructions on how to build an electrical circuit. - Make your own Spanish wordsearch using Spanish words related to school. - Trace a world map and colour the countries which speak Spanish – think of a creative way to present the map.
<p>Spellings</p>	<p>Weekly spellings will be sent home on a Friday to be tested in class the following Friday. Some words will be taken from the Year 3/4 and 5/6 word lists, and some from our Spelling by Phoneme sessions.</p>
<p>Maths fluency</p>	<p>Please complete 5-10 minutes of TT Rockstars daily. Quick times table recall is essential to help with the Year 5 maths curriculum and to embed previously learnt knowledge.</p>
<p>Core Curriculum</p>	<p>Maths, Grammar and Reading homework will be sent out every Friday and is due in the following Thursday. This learning will be to consolidate what has been learnt in class that week.</p>
