

Year 1 Homework Autumn 2

Wider curriculum homework

Select 2 pieces of homework you would like to do, and please hand in one piece on each date given. Written work can be present by hand or published on the computer.

Hand-in dates:

24th November 2023

8th December 2023

Geography – Our Local Area

We are learning about our local area in Geography. Design a map of your journey from home to school. You can record this by:

- Using physical objects to represent key places on the map.
- Draw a picture with a key to represent the key places/roads on the map.

Art – Spirals

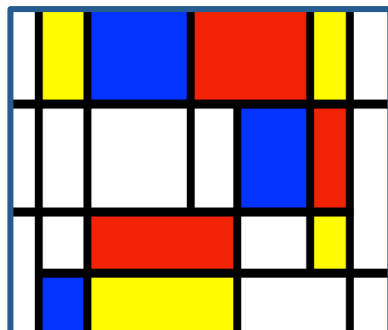

We will be focusing on spiral drawings in our Art lessons. Use parts of your body to draw around e.g. finger tips, elbows etc.

Think about the type of pattern it creates, can you name the shape/style of the pattern?

What does it remind you of?

Computing – Creating Media, digital painting

Research pictures of Piet Mondrian artwork. Using your computer/laptop at home, recreate one of his designs using the shapes (horizontal and vertical lines) icon on the Paint app. Use colours to add a unique pattern to your artwork. Here is an example of his work.

Spellings	The children will be given 5 spelling words to practise each week on Friday to be tested the following week on a Friday. This will be shared via Dojo and the children will be given a sheet with the words as well. These words will be either linked to our Year 1 curriculum or our Year 1 common exception words.
Maths fluency	Please complete the challenges on that will be set by the teacher on Splash learn and Numbots to develop maths fluency. The activities will usually be linked to the topic we are learning in class for example, place value or adding and subtracting one-digit numbers up to 20.
