

Year 1 Homework Summer 1

Wider curriculum homework

Hand-in dates:

Section 1 - Friday 26th
April 2024

Section 2 – Friday 10th
May 2024

Section 3 – Friday 24th
May 2024

Select 3 pieces of homework (1 piece from each section) you would like to do, and hand in each piece on the date given. Written work can be presented by hand or published on the computer.

Section 1 – Transport through time: How and why have trams and trains in Croydon changed since the 1930s?

In **History**, we will be learning about transport through time: How and why have trams and trains in Croydon changed since the 1930s?

Look at the list below and choose **one** of the tasks (you may complete more if you wish to):

- Research and think about the earliest mode of travel to travel now – create a timeline by drawing pictures to show how travel has changed.
- Research images of trains in the past and trains now. What comparisons can you make – how are they different?

Section 2 – All about plants (Science)

Research the parts of a plant or how to plant a seed. Look at the list below and choose **one** of the tasks (you may complete more if you wish to):

- Draw and label all the parts of a plant. (Challenge: what is the function for each part of the plant?)
- Find out information about how to plant a seed. Using bossy verbs, write a set of instructions for how to plant a seed.

Section 3 – Food (DT)

In DT, we are learning about preparing fruit and vegetables.

Design a food diary. Think about what makes a healthy diet. Look carefully at the Eatwell guide [The Eatwell Guide - NHS \(www.nhs.uk\)](http://www.nhs.uk)

Think about the portion of each food throughout the day. You can choose one of the following ways to present your work:

Think about the portion of each food throughout the day. You can choose one of the following ways to present your work:

- Create a table to journal your food. This can be for each day of the week

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

- Design a plate with the portions of food you can eat for a healthy diet.

Spellings

We will send out spellings for the children weekly on a Friday and then we will be testing them on these spellings the following Friday. Please look out for these spellings and practise them at home with your children.

Maths fluency

Practise writing numbers 1-10 in the correct direction.
Recall and practise number bonds up to 10.

Please complete the challenges that will be set by the teacher on Splash learn and NumBots to develop maths fluency.

The activities will usually be linked to the topic we are learning in class for example, place value or adding and subtracting one-digit numbers up to 20.
