

Year 4 Homework Autumn 2

<p>Wider curriculum homework</p> <p>Hand-in dates:</p> <p>24th November</p> <p>8th December</p>	<p>Select 2 pieces of homework you would like to do, and hand in one piece on each date given. Written work can be present by hand or published on the computer.</p> <p>Identify the differences between a series and parallel circuit.</p> <p>Create a poster to explain the dangers of electricity.</p> <p>Identify how we can remain safe around electrical appliances.</p> <p>Create your own questions for the class to answer. For example drawing your own circuit for children to say whether it is complete or not?</p> <p>With parents/guardians produce your own circuit for a project e.g. an image with a lightbulb.</p>
<p>Spellings</p>	<p>Spellings will be given out every week to be tested for the following Friday. These are based on the National Curriculum Statutory words.</p>
<p>Maths fluency</p>	<p>Maths fluency tasks will be set on Splashlearn. These will include a variety of activities based on improving their place value as well as addition and subtraction.</p> <p>Please complete your TT Rockstars session weekly.</p>
