Exceptional Education for All

22nd September 2023

Dear Parent/Carer

Update on Leadership of Kenley Primary School

I hope that all pupils have now settled into the new academic year and are enjoying learning with their new teachers. I have been pleased to see pupils' focus and effort when I have visited this term and I wish them the very best of luck for the year ahead.

Having written to you towards the end of the summer term to inform you of the interim leadership arrangements at Kenley Primary School for this term, I wanted now to write again with an update. Mrs Keogh, interim Head of School, has made an excellent start in her new role, leading the school on a full-time day-to-day basis. She is being ably supported by Mrs Turner, interim Executive Principal, who is at the school for 1-2 days per week. These temporary arrangements were initially for this term only, but I am very pleased to inform you that Mrs Keogh is now able to extend her contract for the duration of the academic year and Mrs Turner will continue to provide executive leadership also during this period. This continuity of leadership will support pupils and staff to capitalise on the great start they have made to the academic year and will mean that decisions about substantive leadership for September 2024 can be made next term.

Thank you for the support you have already shown Mrs Keogh in her new role and for the continued support that I know she will receive from parents/carers throughout the year. By working in partnership, pupils will be best supported to learn, achieve and enjoy their experiences at school. Should you wish to contact Mrs Keogh or Mrs Turner, you can do so via the school office, as usual. I shall write to you again with a further update next term.

Yours sincerely

Mr S Dey
Chief Executive Officer
