Dear Parents & Carers

Welcome back to the new academic year at Kenley Primary School!

My first week as your Interim Head of School has been a very enjoyable one, and has included time spent getting to know the children and staff, who have been most welcoming.

Thank you to all who have introduced themselves - it's already clear what a wonderful of community this is.

With the school's [Mission, Vision and Values](#) re-established and expected behaviours shared with everyone on their return from the summer break, I invite you to take a look on the school website to find out for yourselves what these are; in particular understanding why they are important to us.

Great Schools Need Great Parents

We have big plans to raise money and fund important projects for our school. And we need to build a team of enthusiastic, caring and creative individuals!

Would you like to help enhance, enrich and improve learning experiences for all pupils?

Do you enjoy getting together and meeting parents and staff and work alongside each other while raising money for the school and supporting its aims.

If this sounds like your kind of thing or to find out more, please email

office@KenleyPrimary.org.uk.

VOLUNTEER

you can make a difference!

Volunteers are a welcome resource in helping to raise children's achievement, complementing the work of teachers and teaching assistants.

At Kenley Primary, we welcome volunteers to support the work of the school and to support those wishing to gain experience in a school setting. The types of activities that volunteers are engaged in include:

- Listening to children read
- Working with small groups of children
- Working alongside individual children within the classroom
- Accompanying school visits

If you'd like to find out more about how to become a volunteer at our school, please contact office@kenleyprimary.org.uk.

Please be aware that a DBS check will be carried out before any volunteering is carried out..
