### Netball March - Atwood v Kenley

On the 30th March, Kenley Netball Team played against Atwood.

We won 8-3 in total. The first half was 5-2 and the second was 3-1.

Year 5 and 6 both competed.

It was our first game back since we played in a tournament, so it was easier since it was only one game. Each half was 10 minutes, therefore the whole match was 20 minutes. We are very happy that we won this match.

### Year 5 Netball

This week, our Netball Team were invited to a friendly match at Atwood. When we arrived, we saw a small brown sausage dog (dachshund) named Monty. We made our way to the netball court, while Year 6 were playing their match. We practiced as much as we could before our match. Then it was time for our game. We were all nervous although we were still very excited to win. Then the two centres and captains did a coin toss. Our centre chose to start with the ball.

The first half was really fun as we experienced good team work. The score was 1-4 to us. We played 3 halves all together, and the scores were 2-6 to us. At the end, we were really proud of ourselves. As we won, Atwood treated us to some biscuits which was very nice of them.

*School will finish for the Easter Holidays next*

*Friday 8th April at 3.15 pm.*

*School will re-open on Monday 25th April*

Sara Jones and Dmitriy came to collect the donations on Monday, and they would like to thank everyone for their generosity with supporting the appeal.

Please see below the letter than Dmitriy has written to our parents:

My name is Dmitriy Ganopolskyi. I'm a local Ukrainian and I visited the school on Monday to collect donations for Ukraine, together with the lead of Whyteleaf Volunteering Group, Sara Jones.

All our family would like to pass on our warm thanks to parents, children and teachers who have done such a good and important job! We have been surprised by people's generosity and the school community response overall. We are so proud to live among such nice people!

Talking to staff on Monday, I said that I will follow up with the latest leaflet on collections so parents can see what are the priorities and decide whether they could continue to help. Also I'm attaching a small card from my daughters Yeva (8) and Polina (3), they are desperate for new connections and I'm confident we are all good friends now.

I would appreciate if this could be shared with everyone involved and please do not hesitate to reach me directly with any queries - I'll be more than happy to help !

Sincerely yours,  
Dmitriy Ganopolskyi

## Changes to Guidance in Managing Covid-19

- Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or child-care when they no longer have a high temperature, and they are well enough to attend.
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days.

## Independent Clubs

We receive many enquires from parents regarding dates and information for our school clubs.

The details of all clubs are on our school website [www.kenleyprimary.org.uk](http://www.kenleyprimary.org.uk) so please look at the letters on here for all the information you will need.

Details of the Football Club and Tennis Club have been emailed to parents with this newsletter and are on the school website.
