

Weekly Newsletter

10th May 2024

This week, Reception and Year 4 visited Purley library. All children have now had the experience of visiting our local library and this completes our focus on children reading for pleasure.

As the warmer weather approaches, please remember children should have a named water bottle in school.

Children can bring sun cream into school clearly labelled, however they must be able to apply this themselves. Alternatively parents may wish to apply an all-day cream before school.

Theme Day Menu

Please see details of our Superhero Theme Day Menu for Thursday 16th May by clicking [here](#)

Please order in the usual way on ParentPay.

Please remember to pre-book all meals by Thursday of every week for the following Monday.

Please note that on the ParentPay menu this will still show as a different meal option for 16th May, however the Theme Day menu will replace the meal choice shown.

Parking

School have been made aware adults parking on the corner of the New Barn Lane and Valley/Beverley Road junction when dropping off/collecting children. To avoid blocking the view for children and families crossing the road, and to safeguard all in our community, please avoid parking on corners and areas marked with double yellow lines. Thank you for your support with keeping everyone safe!

Kindness Workshop

We have booked a Kindness Workshop for children in Year 1—Year 6 on 20th June. The event starts with an interactive assembly. This will be followed by a workshop where children will complete a Kindness Challenge which involves spreading kindness to someone they know. Reception Class will also take part in some kindness activities.

At the end, classes will come together to share their work.

Reception

Nina, again!
