

Weekly Newsletter

10th January 2025

I wish our entire school community a very happy New Year! There are many exciting trips and events planned for the Spring Term. We especially look forward to welcoming you to our class assemblies, where each year group will share their learning so far this academic year. We have our first Bronze Award Winners, so we look forward to inviting parents and carers to be a part of our Celebration Assembly too.

Have a wonderful weekend.

Mrs Jacki Keogh | Head of School

Reception Class 2025

If you have a young child due to start Reception in September, the deadline for application forms to be submitted to Croydon is **15th January 2025**.

Tel: 020 8660 7501 | www.kenleyprimary.org.uk | Kenley Primary School, New Barn Lane, Whyteleafe, Surrey CR2 0EX

Attendance and Punctuality

As regular school attendance and good punctuality is crucial for children's educational progress, social development, and mental wellbeing, we will continue to work supportively with families to ensure that all children have the best possible start in life through regular school attendance. If there is a very good reason not to attend school at any time (usually, this will mean significant illness), or it is expected they will arrive after 08:45am, please make contact with the School Office before 09:00 on 020 8660 7501 or by sending an email to office@kenleyprimary.org.uk

If your child is absent or late without the office being notified, please expect contact to be made with you.

Please do not book holidays during term time as this cannot be authorised and may result in a fine.

THURSDAY
16TH JANUARY
The Diner

Chicken Nuggets
Vegetable Nuggets
BBQ Baked Beans
Julienne Fries
Iced Donut

Reception Henry, again! Best Effort

Year 1 Seren, again!

Year 2 Lyla

02 January 2025

Dear homeowner or occupier,

As part of Surrey County Council's commitment to improving roads and pavements, Godstone Road has been selected for pre-patching for pavement slurry works.

The work will be carried out Tuesday 14 January for 2 days – Working hours: 10am to 4pm.

Works will be taking place from the pedestrian crossing on Old Barn Lane to the roundabout

We will make sure you can get to and from your house or business when it is safe to do so. Please talk to a member of our staff on site if you need help – they are keen to deliver the work with minimal disruption to you.

Please take extra care during this time and ensure that you do not walk or drive on the wet surface. The wet sections of footway will be closed off until it has dried. Please check shoes are free from material before entering your home, as this can stick to them and ensure you check pet paws before they go inside.

- Weed killing - The pavement will be sprayed to minimise weed growth with herbicide treatment twice prior to any works taking place.
- Pedestrian traffic management will be in place to cater for the closures. An alternative route will be provided.
- Weather dependent – we can only carry out these works when it is dry and fine.
- Extent of the works – our works extent is shown opposite; however, we may skip areas of the pavement where the surface is new and in good condition.
- Concrete areas - We cannot surface over concrete; slurry seal does not stick to concrete.
- There will be some noise, but we will try to keep this to a minimum.
