## 12th May 2023

### KS2 SATS

This week, our Year 6 pupils have sat their Key Stage 2 assessments. They have worked really hard throughout the year and they have proved themselves to be conscientious, kind, courteous and hard-working individuals. We are really proud of their attitude and resilience this week and hope they all enjoy a restful weekend.

### King's Coronation

Last week, the whole school enjoyed celebrating the Coronation of King Charles III.

We had a party in the playground with all pupils enjoying the generous donations of party food from our families, followed by music and games on the field.

A huge thank you to all who contributed and to those who helped to set up and clear away.

## Ice Cream

This afternoon, we celebrated the end of SATS weeks with ice creams for all of our pupils.

Children in every year group were treated to an ice cream or ice lolly. Despite the weather, everyone tucked in – it was a lovely end to the week.

## Diary Dates
