Odd Socks Day

On Monday, we are inviting the children to come into school in odd socks to celebrate everything that makes us unique. The children will be taking part in different activities related to the theme "One Kind Word" within school during the week. We are also continuing to sell the wristbands for £1, so please send in the correct money if your child would like to buy one.

Reminder that all parents **must** pre-book their child's dinners on Parentpay by **Thursday** every week. Meals are always booked one week in advance, but can also be booked up until the end of term to save doing this every week. Please follow the instructions below if needed:

Netball Match

On the 11th November, our netball team played against Christchurch in Croydon. Years 4, 5 and 6 played two netball games.

As we began the match, we felt a mix of nerves and excitement. Halfway through the match, we felt a bit less worried. We started off strong as our teammate scored the first goal of the match.

After half time, it was 2-1 to Kenley. We began to get tired and lost concentration, as a result they scored two goals in the last few minutes.

This experience helped us realise to keep focus throughout the whole match next time.

Travelling Book Fair

Next week, we will be hosting the Travelling Book Fair. The Book Fair showcases the latest books to engage every type of reader and it is a great opportunity to purchase some books as Christmas gifts. The school also benefits as, for every book sold, we earn free books and resources for the school.
