AMBITION - RESPONSIBILITY - COMMUNITY

Our first full week of the academic year has been a great success. Children have demonstrated great ambition with all aspects of their school life. As a community, we have all been using a shared text "The Invisible" by Tom Percival during our English lessons, thinking about ways in which we can work together with others and take responsibility for ourselves and each other. We can't wait to share our outcomes with you soon. Have a great weekend.

Volunteers are a welcome resource in helping to raise children's achievement, complementing the work of teachers and teaching assistants.

At Kenley Primary, we welcome volunteers to support the work of the school and to support those wishing to gain experience in a school setting. The types of activities that volunteers are engaged in include:

- Listening to children read
- Working with small groups of children
- Working alongside individual children within the classroom
- Accompanying school visits

If you'd like to find out more about how to become a volunteer at our school, please contact office@kenleyprimary.org.uk.
