

Weekly Newsletter

17th November 2023

Well done to our Football and Netball Teams who represented our school well this week in matches with other local schools.

Full details of upcoming Christmas events will be shared soon—lots is being planned - but please check the website (and next page) for the key dates and all letters.

Have a great weekend!

Mrs Jacki Keogh, Head of School

Parent/Carer Consultation Appointments

If you haven't yet done so, please use our electronic booking system to arrange your Parent/Carer Consultation Appointments for Monday 27th or Wednesday 29th November. This is an important opportunity to meet with class teachers, find out about your children's progress, development and next steps.

Please check your emails for the link to book, or contact the office if you have a problem accessing.

Pre-Loved Uniform Sale

In the school hall, during Parent/Carer consultation evenings, PTA volunteers will be running a stall, selling pre-loved items such as uniform sweatshirts, skirts, trousers and PE kits etc. Each item will be sold for £1—this is a great opportunity to stock up on spares.

Please don't forget to add your children's name on everything they wear and bring to school.

Dog Safety Assembly Workshop

Logan

Our thanks go to Katie Brill, who is a Positive Dog Trainer, and Logan her dog, who came in last week to lead a whole school assembly.

Katie presented to the children, explaining the jobs that dogs do for us, the types of dogs there are and how to recognise when to approach a dog and the rules for safety around them.

The children loved meeting Logan and answering questions about the presentation.

Why not test them out at home and see if they can remember about asking an owner's permission to approach an unknown dog, how to let them sniff first and then where to stroke them!

Road Safety Week

We will be taking part in Road Safety Week from Monday 20th November - Friday 25th November.

The children will be taking part in lessons with-in class to explore this year's focus - 'Let's talk about....Speed'.

We will be using the following website to learn about this important topic [Road Safety Week | Brake](#) if they would like to discuss this further with their children at home.
