17th January 2025

We had a fantastic end to the week with our very first class assembly of the academic year. It was wonderful to invite parents and carers in to see Year 6 showing their acting and singing skills, speaking with great confidence and thoroughly entertaining us all: we have high hopes for their end of year production! Work is now underway on our new library and we look forward to unveiling this next Friday morning.

Starting Reception September 2025

Our last Open Morning for Reception 2025 took place on Tuesday morning.

We received some wonderful visitor feedback about our school and the Pupil Parliamentarians who confidently and proudly guided them around our school.

We look forward to welcoming many of the parents who visited us to the school next September, when children start Reception.

New Library

We are thrilled to announce the relaunch of our beloved school library and would love for you to be a part of special event to celebrate this.

Join us in visiting the newly renovated space, made possible by KENCo (our PTFA) and ABC Book Club. Filled with exciting new books, and cosy reading areas, this has been especially designed to inspire a love for reading for pleasure.

This is a wonderful opportunity to celebrate the power of books, reading communities and the joy of igniting children's imaginations via both - we hope you can join us.

Year 6 Class Assembly

This week, the Year 6 children performed their class assembly to their parents and carers. They based their performance on the book *Queen of the Falls* by Chris Van Allsburg.

We asked the audience what they enjoyed about the performance. They said they enjoyed the acting and joining in with the singing.

The children said they really liked rehearsing for the show and that the message that the story tells is a very nice one. The message is to follow your dreams no matter how impossible they seem.
