19th January 2024

Today, Year 6 held their class assembly, when they proudly shared and celebrated their extensive learning. It's great to be able to hold these sharing assemblies again—many children, and those who came to watch, commented on what a special community event this was. We look forward to joining all the other classes over the coming weeks for their sharing assemblies too.

LOST PROPERTY

We have a large amount of items, which will be put out for parents to help themselves to over the coming week. Each Friday, a Lost Property box will be placed on the Ping Pong Table in the KS2 playground, containing unclaimed items for that week. Parents are advised to label everything your children brings to school so that mislaid items can be easily returned to their owners!
