

Weekly Newsletter

21st March 2025

Thank you to Year 2 for leading our assembly today; it was jam-packed full of all the things they have learned so far this year. It was great to see so many parents and carers share in their successes too!

After Easter, we are going to stop the weekly newsletter and instead you will receive an email with links to all of this same information on our website, including latest news about all the wonderful learning and events happening around the school, different awards that children have received each week and the calendar dates.

If you haven't already, please follow Kenley Primary School on Instagram and Facebook.
