Harvest

We were astounded by the generosity of our community with the donations received for Purley Food Hub as part of our harvest celebrations. Our head students packed up all of the food and toiletries on Wednesday morning for collection. We would like to pass on our thanks to everyone who donated. We know it will make a real difference to local families who are struggling during difficult times.

Nasal Flu Vaccinations

If your child missed the nasal flu vaccinations, the Croydon Immunisation Team will be holding clinics for children offering the flu vaccination.

Details will be emailed to parents and a letter is also on our website.

Parking

A polite reminder to all parents to park sensibly when dropping off and picking up their children.

Some parents are blocking driveways and are parking on yellow lines on the corner of the road. This poses a safety risk to other children, parents and members of the public.

Secondary School Applications

If your child is in Year 6, you must submit your secondary school applications by 31st October.
