Easter Egg Collection

This Easter, we will be supporting Purley Food Hub by collecting Easter Eggs, which will be distributed to families in need over the coming weeks.

If you are able to support our collection, please send in your donation of an Easter Egg by Wednesday 29th March. We will collect them on the school stage and our Head Pupils will then help to deliver them to Purley Food Hub on Wednesday morning.

Many thanks for your support. If you wish to find out more about the Purley Food Hub, then you can visit their website at www.purleyfoodhub.net.

Our Governors will be on the top playground on Tuesday 28th March, from 8:30 am, to meet parents and serve tea, coffee and biscuits.

Football

Well done to the Kenley Girls football team who won their quarter final match against Gresham 1-0.

Year 6 Slippers News

This week, Year 6 have been trialling wearing slippers in the classroom. Lots of research shows that by wearing slippers it decreases your stress, and at the same time it improves your ability to learn.

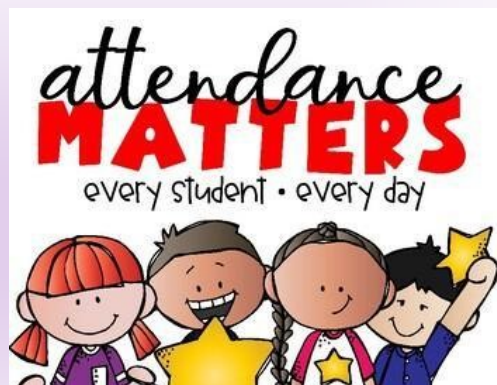

All the pupils in our class love the idea of wearing slippers, sliders, and fluffy socks as it relaxes us as it comes closer to the SATs.
