26th January 2024

Year 3 & Year 4 enjoyed their visits to The Horniman Museum earlier this week, to enhance and complement their historical learning and inspire creative writing for English. Miss Colliety and Mr Packham commented on how sensible, respectful and engaged all the children were whilst representing our school in the community. Fantastic!

And a big well done to year 5 for their 'rocktastic' class assembly today!

NumBots and TT Rockstars Day Friday 26th January

Today the children came to school dressed as a Rockstar, a NumBot character or something else number-related of their choosing.

The children took part in a Mathematics morning, focusing on recalling, using and applying key number facts and times tables. They carried investigations, where they were encouraged to think flexibly and creatively. There was awards for the 'Best Dressed' in each year group, with a focus on originality of ideas and creative costume skills!

Over the course of the day, children in Years 3-6 competed in whole class TT Rockstar battles.

It was great day, full of lots of creative, Mathematical thinking!

LOST PROPERTY

We have a large amount of items, which will be put out for parents to help themselves to over the coming week.

Each Friday, a Lost Property box will be placed on the Ping Pong Table in the KS2 playground, containing unclaimed items for that week.

Parents are advised to label everything your children brings to school so that mislaid items can be easily returned to their owners!

Congratulations to **Year 3**

for achieving the highest attendance this week of **97.6%**. Our target for attendance is **96%**.
