## 3<sup>rd</sup> December 2021

### Covid-19

We have received further guidance from Rachel Flowers, Director of Public Health, Croydon.

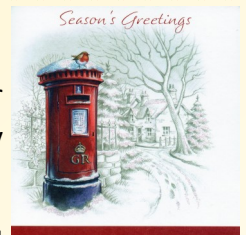

We have put into place most of the guidance in school, including the recommendation to cancel in person Christmas performances, and reduction of contact between those who do not normally mix.

We would also like to draw your attention to the following advice:

Household close contacts in KS2 and above who are exempt from isolation and are attending school are encouraged to carry out daily lateral flow testing for 10 days after the onset of symptoms (or positive test if asymptomatic) in the case in their household, and only attend school if their lateral flow test is negative. They are also encouraged to follow national guidance for all contacts and access a PCR test at COVID-19:guidance for households with possible coronavirus infection—GOV.UK ([www.gov.uk](http://www.gov.uk)). People who have tested positive with a PCR test within the last 90 days do not need to be tested.

### Christmas Activities

The Christmas post box has now been set up in the well outside the hall, for children to post their Christmas cards. Please ensure the envelopes are clearly marked with full name and class on the front.

The infant children are busy rehearsing for the nativity, which will be recorded next week and will be available to watch from 14th December. Details of how to watch the nativity will be sent closer to the time.

Next Friday we will be holding National Elf Day, where the children will be trying to find the mischievous elves in our forest school. On this day, children should wear school uniform, bring trainers or wellies and they may also wear a elf hat.

On Monday 13th, the whole school will be heading to All Saints Church for our carol service. We will be walking to the church and children will be sat in class bubbles, with plenty of space between them. Unfortunately we cannot invite parents into the church for this service.

On Thursday 16th, children are invited to wear a Christmas jumper into school. They do not need to wear uniform on this day. The class parties will be held in the afternoon, and class reps will be asked to organise donations of food for the parties. A separate letter will be sent out with further details.

Our last day of term is Friday 17th, we will be finishing at 1.30 pm on this day.

*School re-opens on Wednesday 5th January 2022.*

#### Netball Match Kenley v Smitham

**Result: Kenley 9 Smitham 0**

We began scoring goals very quickly, and the other team started to get tired. We played in 6 minute quarters. By the of the first half, we had already scored 6 goals. Some people on our team switched positions, mainly our shooters. During our last half, we scored our final goals which made our chances of winning better.

## Christmas Dinner - 8th December

On Wednesday 15th December, the children will be served Christmas dinner. There will also be a vegetarian option available.

Please order on Parentpay by 8th December so the kitchen staff know how many children to cater for. Please note that no other meal options will be served on this day, so if your child does not wish to have the Christmas dinner/vegetarian option, they will need to bring in a packed lunch.
