

Kenley Weekly News

30 June 2023

Open Afternoon and Morning

On Tuesday 18th July between 3.20 - 3.50 and Wednesday 19th July 8.10 - 8.40, you are welcomed into the hall to browse the curriculum that your child will be following next year. As part of this time, you can look at your child's books in their classrooms, so they can share some of the work they have enjoyed this year.

No work should be taken home at this stage and this is not an appointment with the teacher.

Safeguarding

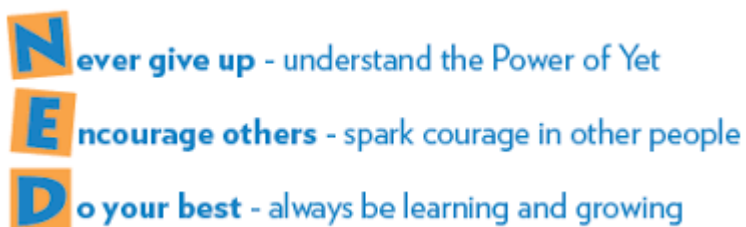

If you wish anyone other than the usual parent or guardian to collect your child, this information must be provided to the school office by email or telephone call. This includes other children's parents, wider family members or family friends.

Please do not use Class Dojo for these messages, and let us know if this will be a regular arrangement or a one-off. Children will not be dismissed to anyone without prior permission via the office. This is to ensure the safety of all children in our care.

Ned's Mindset Mission Assembly

We are really looking forward to welcoming this presentation into school on Monday 3rd July. As part of the assembly, the children will be shown yoyo tricks and a letter has been sent home to explain that for 5 days after the performance, the children can purchase yoyos if they are inspired to become yoyo experts! We will be selling these on the top playground and would ask please that you bring exact money as we will not be able to provide change.

Ned is giving an important mindset message:

We really hope the children enjoy the performance and gain some insight into the power of a positive mindset.

Summer Camp
Presents
"Primary to Secondary School Transition Week"
August 22nd - 25th
Tues - Friday 10am - 4pm
Ages 10 - 11

Samuel Coleridge Taylor Centre
194 Selhurst Road
South Norwood

Lost Property

The lost property storage containers are overflowing with unnamed items.

These will be laid out on tables in the infant play ground on Thursday 6th July.

Anything not collected by the end of Friday will be recycled.
