

Weekly Newsletter

31st January 2025

It was wonderful to see our whole community come together again today for another talent-filled class assembly, where Year 4 showcased their dancing and singing, as well as their writing and their geographical knowledge all about China.

To develop mutual respect and tolerance, which are British values, classes are visiting a variety of places of worship to learn about different religions and understand the beliefs of other people in our community.

Mrs Jacki Keogh | Head of School

Flu Clinic

Junior Duke Award

Congratulations to Sanvi and Vidisha who earned their Silver Junior Duke Award last week.

We are very proud of them.

After-School Clubs

Calling all parents; carers; friends and family of Kenley Primary School - We need your help.

We are looking for volunteers to run after school clubs for children.

If you have any talents or skills, which could include playing chess, knitting, singing, board games or arts and crafts please contact the school office.

Volunteers would need a full DBS check which school will arrange.

10th Y4 trip to Croydon Mosque
13th Y6 Trip to Unicorn Theatre

Half Term 17th—21st February

Year 4 Class Assembly

This week (31st January) the Year 4 children performed their class assembly to their parents and our Kenley community. Their show was based on the learning they have done so far in this academic year. They explained that they loved doing their Chinese dance—they were learning about China and so did all of the audience watching them.

By Kayley and Gracie, Y6

Science Assembly

This week (Wednesday 29th) we had a visitor from a company called Fizz Pop. His name was Gooley Stewie, and he did lots of fun science experiments. He would ask for volunteers to come up and try the tricks he had in store for them. The children mentioned that they liked how confident he was and how he engaged with all of them.

By Kayley and Gracie, Y6

PopFizz will be starting up an after school Science Club in April. Please click the link [here](#) below to book your child a place.

FIZZ POP SCIENCE
Experiment! Discover! Inspire!

School: Kenley Primary School
Day and Time: Fridays 1520-1620
Dates: 25/04, 02/05, 09/05, 16/05, 23/05
5 Week Programme Cost: £40

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

SCIENCE AB WORKS.

DETECTIVE SCIENCE!
Become a super sleuth Scientist as we work together with Science to see if we can find out Whodunnit!!
Discover finger prints and other clues left at the scene of the crime!

MARBLE RUM ENGINEER!
We are the builders of the future so let's be prepared! We will use the Science of engineering to build the best structures to carry our marbles over bouncy towers and radical rails!

SPACE EXPLORERS (1+2)
It's life as an astronaut in this astronomical double session. discover life on other planets, to making our own rockets ready for launching! 3...2...1... LIFT OFF!

CRAZY CHEMISTS!
We learn about the 4 clues of a chemical reaction; From Colour changing liquids to bouncing balls, this is sure to get a reaction from everyone. Chemistry at its best!

FUN GRADUATION!
Hopefully we have given you a taste of the vast array of different scientific work that you may wish to pursue. You will be rewarded with a certificate and a special gift in this fun filled final session.

Terms and Conditions - Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.
