

Weekly Newsletter

6th September 2024

It has been a wonderfully calm and positive return to school and start to the school year! Children have been agreeing Class Charters that will support being ready, respectful and safe in all aspects of their school day (and beyond) - and look forward to sharing them with you next week.

WELCOME!

Parents will be able to visit their children's new classrooms after school on Tuesday 10th September (from 15:15). This will also provide an introduction to the year ahead for parents/carers of children in Years 1 – 6 and opportunity to meet their teachers and pick up some free resources and tips on how support your child's learning at home.

Parents/carers are asked to collect their child, in the usual way, at 15:15 before making their way to the school hall.

Have a great weekend!

KENCO

We hope to host more exciting events for our children, create a stronger sense of community and fundraise for the school in ways that benefit all of our children in many different ways.

These could include:

Spooky Disco, Firework Night, Tea Towels & Christmas Cards (of children's artwork), Christmas Fair; Sponsored Walk, Easter Egg Hunt, Family Movie Night and Summer Fair.

Unfortunately, we won't be able to any of this without enough volunteers organising and running these events.

If you're interested or able to get involved with just one event; have an idea of your own; can help with just the planning; or can only offer some time to run an event on the day - whatever you can offer would be fantastic!
