

26th September 2024

Dear Parents / Carers

To link with our Science topic of **Earth and Space**, Class 5 will be visiting the Science Museum in London on **Tuesday 8th October 2024**

The class will be taking part in the Mission to Space workshop that gives opportunity for the children to have a 'hands on' experience. The children will also be viewing a 'Space' show in the auditorium.

We will be travelling to London by train and tube and will be leaving straight after registration. We will arrive back at school at approximately 4.00pm. Please ensure your child arrives at school on time on this day as we will have to leave promptly.

The children will need to wear school uniform and bring a packed lunch in a plastic carrier bag. No glass bottles or fizzy drinks please. If you would like the school kitchen to provide a packed lunch for your child please indicate this on the online form.

There will be a small charge of £5.00 for this trip, which can be paid via Parentpay. If there are any financial difficulties, please contact the office as soon as possible.

Please fill in the online permission form [here](#)

Kind regards

Miss Rapley
