

Dear Parents/Carers

Sponsored Walk

On **Friday 14 June 2024**, we will be holding our annual sponsored walk to raise money to install an Activall interactive fitness board on each playground. This will greatly enhance our playtime and lunchtime provision. Please see the poster for more information on this, including a video link to see the boards in action!

Each circuit of our grounds is approximately 0.8km and the route takes participants through our forest school, under the larch trees and across both KS1 and KS2 playgrounds. The children always surprise us with their determination to walk as many laps as possible. On the day, they will receive a stamp for each lap completed by visiting their year group checkpoint table and they will bring their stamped sheets home on the day as confirmation of the number of laps completed.

The event will start at 1.45 pm and finish at approximately 3.00 pm, in time for children to be **dismissed at 3.15pm as usual**. The children should ensure they have their water bottle in school and bring their PE trainers to change into before they start the walk unless they have PE on this day.

You are invited to come along and watch, or better still, get yourself sponsored and take part – it is a fun event, and a great opportunity to raise some money while keeping healthy!

Your child can use the form below to record their sponsors: this might be a total amount or an amount per lap completed!

Once the event has taken place, you are able to add sponsorship money on ParentPay, under the Sponsored Walk section on your account. Should you need to be sent a link to set up ParentPay, please contact the office.

We will keep you updated with which class has collected the most sponsorship money on the weekly newsletter and it will be possible to **add donations up until Friday 12th July**. The infant and junior class that raises the most will get the first try on the Activall boards once they are installed.

Yours sincerely

Jacki Keogh
