

10.6.2024

Dear Parents/Carers,

### **Year 5 STEM Day at Riddlesdown Collegiate – Tuesday 18th June**

As part of the Riddlesdown Computing Department's collection of STEM events, Year 5 have been given the opportunity to attend a fantastic day of Computer Science workshops and digital art at Riddlesdown Collegiate on **Tuesday 18th June**.

We will be walking to and from Riddlesdown Collegiate, so children need to arrive at school no later than **8.15 am** as registration needs to be taken. We will be departing school at 8.25 am. Any children arriving after this time will be placed in another year group for the day.

The class should return back to school at approximately 3.30 pm.

The day includes 6 workshops covering many of the curriculum units studied at Key Stage 2, whilst also providing a great platform to future learning at Key Stage 3. These workshops offer a fantastic opportunity for students to visit Riddlesdown Collegiate and get a taster of secondary school life.

These activities will be delivered in classrooms by Computing and ICT teachers, with the help of Year 10 and 11 Computer Science students.

Children will need to wear full school uniform. As we will be walking, children will need to wear a waterproof jacket and suitable footwear. If you are providing your own packed lunch, no fizzy drinks, sweets or nuts please. Please label lunch boxes clearly.

**If you require the kitchen to make a packed lunch for your child, please indicate this on the online permission form. We must notify the kitchen by this Thursday at the latest.**

Please complete the online permission slip [here](#) for your child to take part.

Yours sincerely

Miss Meikle  
Class Teacher

Executive Principal: Mrs Katie Turner  
Head of School: Mrs Jacki Keogh
