

Dear Y6 parents/carers

SATs Information Meeting - virtual

We are writing to inform you about a **Parents/Carers' SATs Information Meeting via Teams to be held this Wednesday 1st May at 5:00pm.**

Our intention is to provide as much information as possible about the end of Key Stage 2 Standard Assessment Tests (SATs) that your children will be sitting during week commencing Monday 13th May 2024. This provides the opportunity to share details of what your children can expect and how you can best support your child in being as prepared as possible.

We would like as many of you as possible to receive this important information; therefore if you are unable to join the live meeting, it will be recorded and shared with parents and carers to access at another time.

It is possible to attend this meeting via a web browser and without downloading an app.

The live meeting will provide the opportunity for you to ask questions. However, if you have questions but are unable to attend, please contact Miss Kelly and/or Mrs Smy via Class DoJo or the school office at your earliest convenience.
